SABOTAGE SCHOOL IN POLAND

Stockholm, 6 Jan 49 (Cable to La Vieie) -- It was learned that an advanced school of sabotage, street fighting, and agitation is operating in Poland, under sponsorship of the Cominform, for benefit of students coming from western countries. The duration of the course is about 10 months. One term ended recently and a graduated class has just left.

This school, established in the vicinity of Poznan, is operating under utmost secrecy. Students attending the course are equipped with false papers and their real passports bear no indication of their stay in Poland nor any visa marks.

The class which has just left numbered approximately 180 students. Several Englishmen among them have quite recently left via Sweden.
